

Annual Report 2020

The Board of Directors is pleased to support the 2020 Big Brothers Big Sisters of PEI Annual Report. Observationally, the past year has been one of change, concern, effort, creativity, and importantly, success for the agency. The leadership and positivity displayed by the entire Big Brothers Big Sisters of PEI staff must be recognized while a global pandemic continues to significantly impact how youth are supported across Prince Edward Island.

Over the past year, the agency remained open in their communications and enacted several program adjustments and new operational strategies to meet the mandate of the organization.

The Board of Directors is confident that information within the 2020 Annual Report showcases this reality.

Each year we provide details of our **Service Delivery** and **Fundraising** initiatives which sustain our agency. We attempt to fairly reflect the work of the Agency in such a way as to hi-lite both the successes and challenges faced throughout the year.

Service Delivery:

The Pandemic has caused several interruptions in our **Community-based** program, however, our matches have been able to maintain face-to-face contact as well as virtual or telephone contact throughout this difficult time. Indeed, we were able to hold our annual **Christmas Party and Volunteer Appreciation** event at the Rodd Charlottetown in late November.

Our **Teen Mentoring** program continued to grow in 2020 until March when the Pandemic caused all programs to be suspended. We are receiving encouragement from our school contacts indicating that they are eager to become engaged with us again when it is safe to do so. We are also receiving applications from former Teen Mentors for our ISM and Community—based programs. These indicators suggest that Teen Mentoring will have a long term effect on the viability of our other programs in the future.

While **In-school Mentoring** matches were suspended for the remainder of the 2019-2020 school year, we have received permission from the Public Schools Branch to offer the program where matches have been together in the previous year and where individual schools give their approval.

A new program this year, **Launch Your Life**, was able to proceed with 28 youth involved in two programs. Our thanks are extended to the **Silver Streams Restaurant** and **Holland College** for their assistance in providing their facilities allowing us to operate the programs.

We are always appreciative of the support we receive from the community through the on-going generosity of businesses and individuals. In 2020 we were able to offer support at Christmas for **9 families.** This includes 9 of our Littles but 36 individuals in total. Our thanks to, McInnes Cooper, DVA, Jill McCarville, Matthew Walker and Friends at the QEH, Ashley MacDonald, Laura Simmonds, Jennifer Coughlin, Linda McNeill, Jessica Corkum-Gorrill, Kathryn Voye, Rod Murphy, Emiley MacKinnon, Jalisa Jones and Friends, Peter Russell, Debbie Clow, Jennifer Collings and to an anonymous donor for their generosity in assisting families and making Christmas special for several of our families.

We very much appreciate **MBS Radio**, our long-time media supporter, which has provided five Public Service Announcements daily on each of its three stations, **Q93**, **CFCY and Spud FM**, inviting potential volunteers to become Big Brothers, Big Sisters, Big Couples or In-School Mentors.

Fundraising:

In addition to our annual grant of \$29,100 from the Department of Social Development and Housing, we entered in an agreement with **RBC Foundation** with a donation of \$50,000 over two years to create a new program, **Launch Your Life**, which focuses on Post-Secondary Education and Career Readiness.

During the summer, we received (2) eight-week positions through the **Canada Summer Jobs** program and hired UPEI students **Mai Ngoc Nguyen** and **Ana Al Mialeh** to support

our Cottage Campaign. **Through Skills PEI**, we hired **Marlee Gregory** and a fourth **student**, **Lily Campbell**, was hired through a **Provincial Jobs for Youth** grant. These young women did an exceptional job in ensuring the safety of patrons and offering excellent customer service to our many ticket buyers and visitors to the cottage.

Our audited financial statements include a large number of grants and donations we received to mitigate the effects of the Pandemic on our programs. The business, community, government and individual donations have been a tremendous support to our Agency in overcoming the challenges during this very difficult time.

This is a mature fundraiser and we are always thankful to be able to maintain a level of funding in excess of \$65,000.

^{**} Denotes ticket price increase

In 2020, despite a late start with the Cottage Campaign, we sold all 15,500 tickets by August 1.

The winners, Gordon and Tawnia Craig, chose to keep the cottage.

<u>Please note:</u> Revenue will vary significantly from year to year if the winners select the cash prize and the cottage has to be sold. The transaction affects the figures in the subsequent fiscal year as we are able to claim the HST portion of the tendered amount as a refund in addition to any profit in excess of the \$73,000 we have given to the winner.
