Big Sister Little Sister

BE THE SPARK THAT IGNITES THEIR POTENTIAL!

Potential lives within every young person but many youth **struggle with societal barriers** and **face adversities in their lives.** These circumstances have nothing to do with the value of **who they can become** but puts them at **risk of not having the opportunity to live up to their full potential**.

With the **guidance and support of a mentor**, these risks can be reduced. Youth can **gain the confidence to achieve more**, leading to brighter futures. **Your support is a crucial element** in developing **vital mentoring relationships**. Our mentors **advise and challenge** young people, act as their **champions**, connect them to **broader experiences, opportunities and networks**, and **empower them to reach their full potential**.

Thank you for purchasing Dream Cottage tickets. Your support provides **life-changing mentoring relationships** that **ignite the power and potential of Island youth!**

DREAM COTTAGE

Final day to buy tickets, September 9th
Cottage Draw Date, September 10th

PUT A COTTAGE IN YOUR FUTURE AND HELP A CHILD NOW!

There are some BIG changes happening this year! We have a really cool design that is like nothing we have done before. This beautiful modern 2 bedroom, 2 bathroom cottage design has 1024 square feet of living space. The 28th Dream Cottage has an upgraded kitchen, 12 enormous oversized windows, cathedral ceilings throughout, and a walk in closet.

Since everyone is spending time closer to home, we thought it might be the perfect year to have a fully loaded Dream Cottage as an option for everyone. That is right, we are keeping it simple and doing away with the Furniture and Additional Appliance Tags. We are also increasing the Cash Option to $75,000 this year and including the moving of the Dream Cottage too.
