In recognition of Big Brothers Big Sisters of PEI serving our communities for 50 years, there was a flag raising with Mayor Phillip Brown, at City Hall in Charlottetown on February 6th, 2025. The City also turned "The Tower" our BBBS blue the same evening. The City of Summerside lit their City Hall our colour from February 10 - 14, 2025. We appreciate their support!

This winter, Big Brothers Big Sisters bestowed Vice-Regal Patronage of Honourable Dr. Wassim Salamoun. Our Executive Director, Myron Yates, met with the new **Lieutenant Governor of PEI** to discuss the work we do and the importance of mentorship of Island children and youth.

**Bowl for Kids Sake** took place **Saturday March 1st**, in Charlottetown, Summerside and North Rustico. We had a great time and the funds raised will go toward training volunteers, provide supplies and support for one-on-one community-based mentoring, In-school mentoring, and our large group programs like Teen Mentoring. Thank you all.
